

Summary

Data-driven Business Management graduate with a minor in Logistics and hands-on experience in performance marketing. Experienced in analyzing TikTok Ads data, developing performance reports, and translating complex datasets into actionable insights. Strong in cross-functional collaboration and leveraging data to optimize campaigns and drive measurable business growth.

Professional Experience

Ecomobi PTE | Vietnam

Operation Executive | November 2025 - Now

- Monitored and analyzed TikTok Ads performance for FMCG brand, extracting campaign data from TikTok GMV Max and Business Center to evaluate key metrics (ROAS, CTR, GMV, etc.) and support performance-driven marketing decisions.
- Consolidated and structured large-scale advertising datasets to build standardized campaign performance reports and dashboards for continuous tracking and analysis.
- Produced weekly and monthly campaign performance reports, collaborating with Content and Analytics teams to evaluate creative performance and generate insights to improve GMV and advertising effectiveness.

Li & Fung Vietnam | Vietnam

Merchandising Trainee | October 2024 - July 2025

- Managed pre-production coordination with 20+ vendors across Southeast Asia, handling sourcing and sampling to ensure quality, cost efficiency, and on-time delivery for buyers in the EU and U.S. markets.
- Researched market trends and consumer insights to develop initial design concepts and detailed product specifications, coordinating with vendors on sample execution and presenting prototypes to customers for review and approval.
- Managed end-to-end sample logistics, including documentation, submission tracking, and client follow-ups, while providing administrative support through data management and cross-functional coordination.

RMIT Student Connect | Vietnam

Customer Service Assistant | May 2023 - June 2024

- Promptly resolved customer complaints and issues, escalating to line managers when necessary.
- Handled Tier-1 customer service responsibilities as the primary point of contact within the Student Connect service model, managing 20-30 inquiries daily across in-person and phone channels.
- Executed clerical and administrative tasks using Microsoft Excel and Genesis software.

Education

RMIT University | October 2021 - February 2025 | Vietnam

- Bachelor of Business (Management) / Minor in Logistics and Supply Chain
- IELTS 7.5 Certificate

Relevant Experience

Head of Logistics Operations of NHIET

Start up project | February 2024 - May 2024

- Established a manufacturing partnership with a facility in Hoi An, Vietnam, to produce a limited collection of 50 handcrafted lantern lights designed by the team, featuring unique and creative patterns.
- Managed direct-to-consumer fulfillment, including order receipt, payment processing, and delivery arrangements.

Founder of Pokay Hanoi

Start up F&B project | September 2023 - December 2023

- Oversaw all aspects of business operations, including inventory management, supply chain logistics, and distribution.
- Collaborated with local suppliers and delivery services to ensure the timely preparation and delivery of fresh ingredients and finished products.
- Leveraged data analysis to optimize inventory levels, minimize waste, and enhance operational efficiency.

Member of RMIT Business & Finance Hanoi Club

Lead of Media Entry in Business Conference “Start-up: Reward or Regret” | December 2022

- Worked collaboratively in a team of 20 to secure sponsorship from a third party, while establishing connections with 115 Hanoi universities and 15 journals.
- Organized an event with a total attendance of 450+ participants, comprising both internal and external attendees from RMIT Hanoi.

Organizer with the Pacific Ocean Partners Group

Collaborator of the Alice in Wonderland 2022 program | October 2022

- Assisted with logistical coordination from the control area, managing information flow between teams to ensure smooth transitions during the live event.
- Monitored and adjusted live subtitle timings, maintaining seamless synchronization with actors' dialogues, music, and stage actions throughout the show.
